

Pelican Trust

Creating Opportunities

Pelican Trust offers services for adults who want to improve their confidence, quality of life, self esteem, communication skills and gain real hands on work experience, training and education. Everyone is treated as an individual and attendance and work areas are flexible to meet individual needs and expectations.

As a Social Enterprise and Registered Charity we make no profit from our commercial departments. All excess is used for training and educational courses for adults with disabilities to assist them to move on into further education, voluntary work or paid employment.
