

Hello

Magic Moments for Autistic Kids is a charity based in Scunthorpe. We have an 8-berth caravan on the Golden Palm site at Chapel St Leonards that is available to rent to any family affected by disability or illness. The rental includes all gas and electric for the duration of your stay and the use of the 8 entertainment passes that allow access to one swim session per day and to the entertainment centre.

We've been able to keep the price bands the same again this year as the increase in usage covered the increase in costs again last year.

The caravan is available during the Easter holidays and until the morning of 26th May at the now reduced price of £20 per night plus a £20 per booking fee. Subject to availability, start and end days and durations are flexible to meet people's requirements.

Other dates available and prices are:

- Saturday 2nd June to Friday 29th June at £170 for up to 4 nights or £300 per week
- Friday 29th June to Monday 2nd July and Friday 6th July to Friday 20th July at £220 for up to 4 nights or £400 per week
- Friday 20th July to Tuesday 31st July or Saturday 18th August to Monday 20th August (2 nights) or Friday 24th August to Monday 27th August (3 nights) at £250 for up to 4 nights or £460 per week
