

# Why can't I read RSS feeds with Google Chrome?

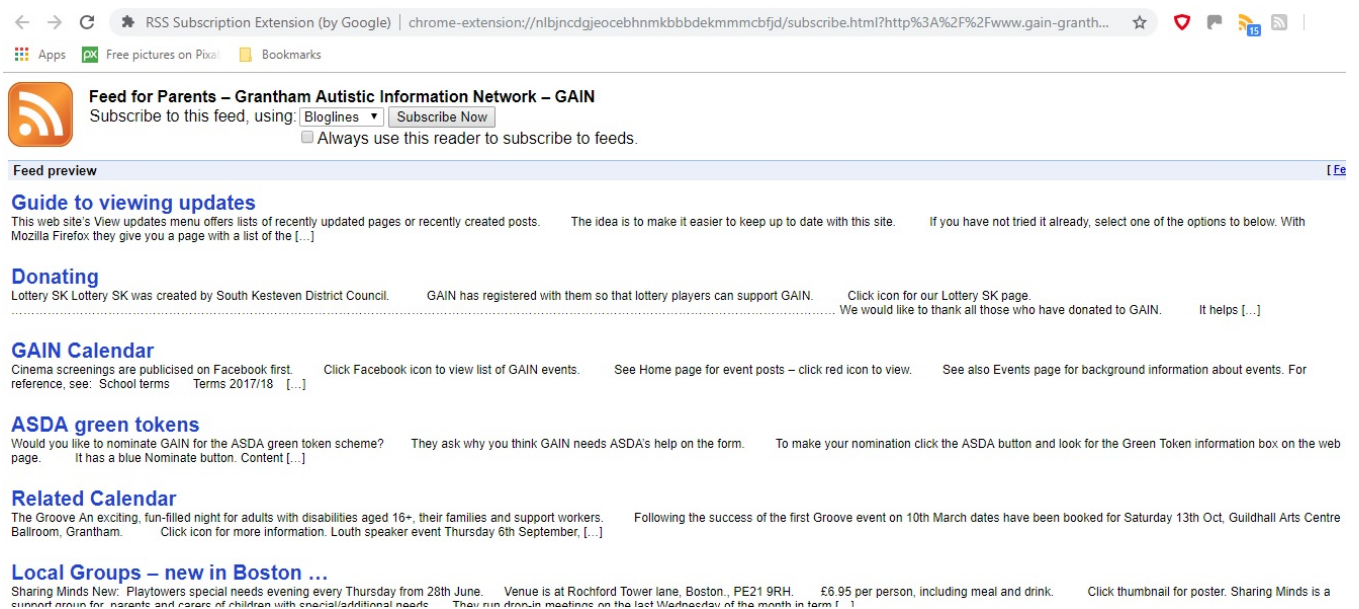

Here is an [Explanation](#) from a technical Q & A site.

As explained in the link above there is a handy extension that will display your RSS feeds correctly. To install it, click the link labelled [this page](#) in the explanation article, then click the **Add to Chrome** button – top right on the new page.

Now, when you click one of the options in the GAIN updates menu on the GAIN website:

-  [Events](#)
-  [Adults](#)
-  [Parents of children](#)
-  [Students](#)

you should get a display that looks like the one below:
